

COVID-19: Briefing 1

18 March 2020

Dear Resident,

The Government yesterday announced a range of measures to protect the UK population from the spread of the COVID-19 virus.

Gloucester Grove Estate TMO, in line with Southwark Council, is committed to reducing the risk posed to all residents and staff.

The latest advice from the Council has now placed an immediate suspension on all visits to the TMO housing office - with all residents' related issues to be addressed remotely and by telephone. This is a further attempt to improve the safety of residents and staff as much as possible in light of the current public health concern across the country.

In light of the above, you are asked to contact the housing office by telephone on **02036436941** or via email at info@gloucestergrovetmo.org until further notice.

We also once again share some good guide on how you can help to minimise the spread of the virus, please see the attached document.

We will keep you updated as the situation unfolds.

Yours faithfully

Abiola Olatunji
Estate Manager
